

BM'S Loses 4-3 Game To South

South, noted for her last inute go-go surges during the basketball season, seems to have carried the trait over into her baseball as she plucked victory from the depths of defeat in the final stanza by defeating Bishop Montgomery, 4-3.

Mike Andrews, South cage ace, waited until the final frame, with South losing by one run, to stroke a two-run homer and win the game, 4-3, on the winners' diamond.

Singling in the first inning, the peppery South shortstop waited for the last inning before hitting a one strike pitch into left center for the payoff blow.

Up until that time Montgomery hurler Steve Pipkin had limited South to seven well spaced hits and had whiffed seven before Andrews' telling poke.

Grunion to Hit Local Beaches Friday Night

The first four-night run of grunion for 1961 is due to hit Southern California's sandy beaches on the night of March 17, reports the Marine Resources branch of the Department of Fish and Game.

Approximately one-hour runs are expected to begin at about 10 p. m. on March 17, at 10:30 p. m. on March 18, at 11 p. m. on March 19, and at 12 midnight on March 20. The starting times for the spawning runs are approximate, and the fish may arrive a bit later.

BEACHES where good grunion runs often occur include the Coronado Strant, Mission Beach, La Jolla, Del Mar, Doheny Beach, Corona del Mar, Newport Beach, Huntington Beach, Belmont, Long Beach, Cabrillo Beach, Hermosa Beach, Venice, Santa Monica, Malibu, Santa Barbara, Pismo Beach, and the beach between Morro Bay and Cayucos.

Grunion may be taken on the beach or in the surf by hand only. No appliance of any kind may be used and it is unlawful to dig holes in the beach to trap the fish.

THERE IS no bag limit on grunion, but an angling license is required for persons 16 years

of age or over.

Grunion may not be taken during the months of April and May, and the run starting March 17 will be the last open

season run until June 1. Four-night runs are expected to begin on June 1, June 13, June 29, July 12, July 29, August 11 and August 27.
